Safety, Health and Environmental information

In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following:

Construction.

- Buried services (LV cables) present along sections of embankment footpath. Buried services to be diverted within Cattle Market. Existing sewer crossing of the defence.
- Narrow working corridor between river and defences. Works located on landward side to minimise loading of river banks.
- Residential properties in close proximity, risk of damage from vibration.
- Public footpaths run adjacent or along defences and are to be closed for construction.
- Working within recreation ground (including children's playground) on left and right bank between St. Asaph Old Bridge and A55.
- Recreation ground shows signs of formal landfill activities. Potential exposure of operatives to contaminated ground during construction.

Maintenance/Cleaning/Operation.

Decommissioning/Demolition.
